

ONE-PAGE WALLYBALL RULES
Loosely based on rules published by the American Wallyball Association

Serving

1. Service area is three feet from each end of the court.
2. You can serve it off the back wall as long as it doesn't hit a second wall while going over the net.
3. If server catches the ball on service toss, the server can replay the serve.
4. The service must be a clean contact with the ball. Pushing the ball or rolling the ball off the fingers (paint brush) is not allowed.
5. Blocking, Spiking or attacking a serve is illegal.

Out of Bounds

1. When a ball, while crossing the net, hits the ceiling, back wall of opponent's side or two walls consecutively on service, volley or block.
2. Ceiling and back wall on own side is in bounds if own player touches it.
3. Contacting two or more walls is allowed only by the team in possession of the ball on their own side, provided a player on that team touches the ball first. The ball must also be touched by another player before going over on multiple wall hit.

Net Play

1. If the ball is only partly across the net, and the opponent hits it, it is good.
2. Touching the net is not allowed by players, unless the ball is driven into the net and the net hits the player. If two opposing players touch the net simultaneously the point is replayed.
3. In the attack, the player must contact the ball before the ball has completely crossed over the net.
4. The opponent cannot block the set. If any part of the ball has crossed the vertical plane, a free ball is in effect and both teams are entitled to it.
8. If a ball is touched on a block, the team still has 3 hits and the blocker can make the any of these hits.
9. Holding the ball at the top of the net by both sides is a replay.
10. On a block, if two players touch the ball, the teams still has 3 hits.

Miscellaneous

1. Holding, pushing, scooping, lifting or carrying the ball is not allowed, it must be a clean hit.
2. If two players on the same team, hit the ball simultaneously, it counts as one hit and either player can play the next hit.
4. A ball can hit the back wall and over the net directly (when being played by your side), but if two walls are touched, it is out of bounds.
5. A ball can not contact below the waist.
